v

Teressa Cunningham

Felisha Wilson

Michael Wynn

Objections to  
Report and Recommendation

USDC CLERK, GREENVILLE, SC  
RECEIVED  
2021 MAR 29 AM 10:29

The Court recommended Summary Judgement  
Granted to the Defendants Due to the fact  
That & the plaintiff will only be in the detention  
Center a Short time this is untrue & have  
been here 20 months with no bond. ~~at present~~ The No  
Bond is a very Strong indicator that & was going  
to be here, past the three months it takes & will  
be here another year or so according to my lawyer  
awaiting trial "Vick MCFZ 845-445-3055" Seeing as  
a Detention Center is no longer a Short term  
Facility for people with offenses of Armed Robbery  
and Greater 2 to 3 yrs, which is no short term when  
looking at the damage that can be done to the  
Liver ~~during~~ this time.
